TERMS AND CONDITIONS FOR PARTICIPATION AT ATLANTIC FAIR

1. Registration

Registration is binding, and the exhibitor is liable for the registration fee and stand rental, subject to the cancellation provisions set out in Clause 2. All prices are exclusive of VAT unless otherwise stated.

2. Cancellation of Participation

If an exhibitor wishes to cancel its registration, the cancellation fee will be calculated on the total agreed amount for the registration fee and stand rental as follows:

Up to and including 31 August 2027:	0%
From 1 September to 31 December 2027 inclusive:	25%
From 1 January to 29 February 2028 inclusive:	50%
From 1 March 2028 onwards:	100%

Cancellation must be made in writing. The cancellation date will be the date on which the organiser receives the written notice of cancellation. Any applicable cancellation fee will be invoiced immediately.

3. Payment Terms

The registration fee and stand rental will be invoiced in January 2028.

Companies registering after 1 January 2028 will be invoiced immediately.

Invoices are payable within 15 days of the invoice date.

In the event of late payment, default interest will be charged from the due date in accordance with the applicable rules.

If the amount is not paid on time, the organiser may, after issuing a written reminder and allowing a specified period for payment, cancel the registration and allocate the stand space to another exhibitor.

This does not release the exhibitor from liability for any amounts that have already fallen due.

4. Stands and Exhibition Areas

A stand with walls will be constructed using standard white wall panels, including side and rear walls.

The stand rental includes one spotlight for every three square metres, 1 kW of electricity, carpet, a stand number and the company name.

Stand walls exceeding 2.5 metres in height and other special stand constructions must be approved in writing by the organiser in advance.

The exhibitor must contact the organiser regarding any special construction requirements and possible additional costs.

Outdoor exhibition areas will be provided as open areas unless otherwise agreed.

5. Allocation and Location of Stand Space

The organiser may refuse a company's participation if the organiser considers that the participation is not compatible with the purpose, content or overall organisation of the exhibition.

The organiser may make reasonable changes to the location, layout and size of the requested stand area where necessary for the overall organisation of the exhibition.

If the stand area is reduced, the stand rental will be reduced accordingly.

Atlantic Fair has the final authority regarding the location and allocation of stand spaces.

6. Use of Stand Space

The exhibitor may not, without the organiser's prior written permission, sublet, transfer, divide or otherwise allow a third party to use all or part of the stand space.

Any co-exhibitors must be approved in writing by the organiser in advance.

7. Signs, Advertising and Activities at the Stand

Signs, displays and other materials may not be placed outside the exhibitor's own stand or in common areas without the organiser's prior permission.

Product samples, brochures, promotional items and other marketing materials may only be distributed from the exhibitor's own stand unless otherwise agreed.

Noise or other activities that disturb other exhibitors or visitors are not permitted.

The organiser may require any disruptive activity to be stopped or modified.

8. Floor Load

The maximum permitted floor load in the exhibition halls is 400 kg per square metre unless otherwise approved in writing by the organiser.

The exhibitor must inform the organiser in advance of any particularly heavy equipment, machinery or other items.

9. Exhibitor's Liability

The exhibitor is responsible for any rented or borrowed equipment provided to the exhibitor in connection with the exhibition.

The exhibitor is liable for any damage caused by the exhibitor, its employees or subcontractors to buildings, fixtures, installations, rented equipment, other property or persons.

The exhibitor must immediately notify the organiser of any damage.

10. Security and Insurance

The organiser will arrange ordinary security services within the exhibition area during the three days of the exhibition.

The organiser accepts no responsibility for equipment, goods, property or other items belonging to the exhibitor or any third party.

The exhibitor is responsible for obtaining all necessary insurance coverage in connection with its participation.

11. Cancellation, Postponement and Force Majeure

If the exhibition is permanently cancelled by the organiser, any registration fees and stand rental fees already paid will be refunded.

Any other costs incurred by the exhibitor in connection with its participation will not be reimbursed.

The organiser may postpone, shorten, relocate or otherwise modify the exhibition where this is necessary due to circumstances beyond the organiser's reasonable control.

Such circumstances may include, but are not limited to, requirements imposed by public authorities, fire, severe weather, natural disasters, epidemics or pandemics, strikes, war, terrorism, technical failures or other force majeure events.

If the exhibition is postponed or moved to another date, this will not in itself entitle the exhibitor to a refund. The registration will be transferred to the new date.

However, if the exhibition is postponed by more than 12 months, the exhibitor may cancel its participation in writing within a deadline specified by the organiser. In such cases, any registration fee and stand rental already paid will be refunded.

12. Transport, Installation and Dismantling

The exhibitor is responsible for the transport, installation, furnishing, dismantling, packing and removal of its own equipment and decorations.

All equipment and shipments intended for the exhibitor must be clearly marked with the company name and stand number.

Installation and dismantling must take place within the times and in accordance with the guidelines specified by the organiser.

The exhibitor may not dismantle the stand or remove equipment while the exhibition is open without the organiser's prior written permission.

After the exhibition, the stand must be cleared and returned in the same condition in which it was received.

Equipment or other materials not removed within the specified deadline may be moved or disposed of at the exhibitor's expense and risk.

13. Cleaning

The organiser is responsible for the ordinary cleaning of indoor common areas.

The stands will be vacuumed and waste bins emptied every night.

The exhibitor is responsible for keeping the stand clean and tidy during the exhibition and for removing any special waste, packaging and other materials resulting from the exhibitor's activities.

14. Marketing

By registering, the exhibitor grants the organiser and its partners the right to use the exhibitor's name, logo and other company information provided by the exhibitor in exhibitor directories, on websites, on social media and in other information and marketing materials relating to the exhibition.

The exhibitor confirms that it holds all necessary rights to any logos, images, text and other materials provided to the organiser.

15. Legislation, Permits and Safety

The exhibitor must comply with all applicable Faroese legislation, regulations and requirements imposed by public authorities in connection with its participation.

The exhibitor is responsible for obtaining all necessary permits, approvals and certificates from the relevant authorities.

The exhibitor must comply with all safety, fire prevention, health and working-environment regulations imposed by the exhibition hall and the relevant authorities.

The organiser may require any equipment, stand installation or activity that does not comply with the applicable requirements to be modified or removed immediately.
